We will always look to offer a replacement from our fleet, subject to availability, before resorting to this. All replacements are subject to the hirer returning to branch. Spaceships will not cover any costs involved in this. Spaceships will not deliver replacements to any location. Spaceships will not source replacements from other companies.

- h. If Spaceships have to cancel before pick up, we will refund the entire hire cost in full.

 - ii. Any other applicable charges detailed in these terms and conditions.
- d. Spaceships will take any payment due from the card associated with your booking.
- e. Bank card details must be on all rental agreements and must be in the name of the main hirer unless prior arrangements have been made with Spaceships.
- f. If your card is declined, Spaceships will give you 5 days to complete the payment with no additional charges. After this Spaceships will retry the transaction daily and add a £30 administration fee per failed transaction.
- g. If you have not paid the balance due to Spaceships within 30 days of this being due Spaceships will initiate legal action to recuperate this amount. Any legal fees will also be added to the amount due.

8. Security Deposit

- a. Bank card details must be provided to us during the Check In, at least 72 hours before the commencement of the Rental Period for the purposes of freezing the Security Deposit. This can be done using <https://portal.spaceshipsrentals.co.uk/>
- b. You authorise us to hold a Security Deposit in the amount of:
 - i. Bronze Cover - £1,500 for campervans and £2,500 for motorhomes.

- ii. Silver Cover - £250 for campervans and motorhomes.
 - iii. Gold Cover - £0 for campervans and motorhomes.
- c. We will freeze the Security Deposit amount relative to your chosen insurance option on the bank card associated with your booking within the 24 working hours prior to your pick up.
- d. Bank card details must be on all rental agreements and must be in the name of the main hirer unless prior arrangements have been made with Spaceships.
- e. You authorise us to use the Security Deposit to cover insurance excess costs or losses (and any incidental costs or losses) as a result of any accident, damage or theft during the Rental Period.
- f. The insurance excess is charged regardless of who is at fault and must be paid at the time the incident takes place, not at the completion of the rental. You acknowledge that you must pay for anything not covered by insurance or the Security Deposit.
- g. The Security Deposit amount will be deducted in full from your bank card if you are involved in an accident, damages, theft, or a breakdown from user error during the Rental Period. This is deducted at the time of the incident and not at the conclusion of the rental.
- h. The Security Deposit will be released when the vehicle is returned provided no damage has occurred.
- i. If you are unable to pay the Security Deposit on pick up of the vehicle you will be required to purchase the Gold Cover insurance to benefit from £0 Security Deposit, or cancel your trip with 100% cancellation fee.

9. Insurance Options

- a. All Spaceships rentals are insured. We provide Bronze Cover insurance included for no extra cost in the daily rate. As the hirer you are responsible for the excess of £1,500 for campervans or £2,500 for motorhomes, if you chose to stick with Bronze Cover.
- b. You may also upgrade to our Gold Cover Insurance to reduce the excess to £0.
- c. With our Bronze Cover and Silver Cover insurance, there is the full excess to pay for, but not limited to, accidents, thefts, losses and damages.
- d. We will freeze the excess amount that relates to your chosen insurance option on the bank card associated with your booking within the 24 working hours before your pick up.
- e. Spaceships will take the excess as soon as the incident occurs/is reported.
- f. The insurance excess is taken per claim, not per rental.
- g. You have to pay the excess for each insurance claim incident regardless of which party may be at fault.
- h. No insurance excess will be refunded until any claim is fully settled. This is dealt with by insurance and can take months to years to settle. Spaceships cannot

speed this process up. As part of the finalised claim amount, Spaceships may also charge the daily hire rate per day the vehicle is off the road unable to be rented, as well as any other consequential losses.

- i. You must report to Spaceships all insurance claim incidents within 24 hours. This includes, but is not limited to, accidents, breakdowns, losses, damages or theft. If you do not notify us, you will be in breach of Spaceships terms and conditions and liable for the full costs.
- j. Theft is not covered under any insurance option. You will initially be liable for the full cost of the stolen vehicle. If Spaceships are able to make a successful insurance claim that reimburses the cost of the vehicle, your liability will then reduce to £1,500 for campervans and £2,500 for motorhomes.
- k. The insurance covers damage to the vehicle and property of a third party. The insurance does not include any personal insurance for the hirer (including death or bodily injury to the driver), personal possessions cover or loss of service cover. You should take your own travel insurance policy for this.
- l. You may purchase Gold Cover insurance from us. This will reduce the excess payable by you for the first claim to £0 unless the loss or damage is exempt under these terms or a breach of the terms and conditions has occurred.
- m. Gold Cover and Silver Cover insurance cover the first damage/claim only. If an accident occurs before the expiry of the Rental Period, you will default to Bronze Cover for the remainder of your trip. If a further claim occurs before the expiry of the Rental Period, you will be liable for the excess amount for each further claim.

14. Pre-Collection

- a. Spaceships operate a contactless pick up and drop off process using Key Codes. You must:
- i. Pay your full balance at least 30 days before pick up. This is done using the link on your Booking Confirmation email.
 - ii. Complete your online Check In at least 72 hours before collection. This can be done using <https://portal.spaceshipsrentals.co.uk/> This includes adding driver licence details and photos for all drivers, all drivers electronically signing the Rental Agreement and a bank card being saved to your booking. Bank card details must be on all rental agreements and must be in the name of the main hirer unless prior arrangements have been made with Spaceships.
 - iii. From your bank card entered during the Check In, Spaceships will freeze the Security Deposit amount within the 24 working hours prior to your hire. You must ensure the relevant funds are available on the bank card. This is:
 - 1. Bronze Cover - £1,500 for campervans or £2,500 for motorhomes.
 - 2. Silver Cover - £250 for campervans and motorhomes.

3. Gold Cover - £0 for campervans and motorhomes.
- b. Once all the above is complete, we will then send your Key Code for picking up the vehicle to the email address associated with your booking. This can take upto 1 hour before your pick up time to be sent.
- c. Please note, if any of the above is not complete, we will be unable to send your key code and you will be unable to pick up the vehicle at the pick up time and your booking may be cancelled. If you are picking up outwith working hours, you will then need to wait till the next working day to be able to sort whatever is incomplete and receive your key code.
- d. These steps are your responsibility as the hirer to complete by the time frames specified. Spaceships will not refund, or be liable for any consequential events, losses or costs arising from a delayed pick up or cancellation due to these steps being incomplete. This includes, but is not limited to, costs or losses associated with a replacement vehicle, time lost, missed events, transport, accommodation, food, emotional distress etc.
- e. The bank card entered will also be used for any other applicable charges detailed in these terms and conditions.

15. Collection

- a. Spaceships operate a contactless pick up and drop off service.
- b. Spaceships carry out a full Pre-Hire Inspection (PHI) before the commencement of your hire. The PHI involves testing the systems/components on board the vehicle to ensure they are operating correctly. Spaceships advise all customers to check the systems themselves (including, but not limited to, heating, shower, fridge/freezer, hob/oven, hot/cold water, water pump, toilet and radio) before leaving the site and report any issues to our team via email or on the phone.
 - i. Should an onboard system/component fail during your hire, you must notify Spaceships within 24 hours. Spaceships will endeavour to remedy the fault whilst you are away but in some circumstances this may not be possible. Spaceships will not be liable if any issue cannot be fixed or should a loss of service be encountered. Spaceships will not refund any monies for this nor have any obligation to provide a replacement. You agree you will troubleshoot to help fix such issues and may be required to do some minor fixes whilst on the road to resolve issues.
 - ii. Spaceships will not be liable for any consequential events, losses or costs arising out of the failure of any system/component on board the vehicle. This includes, but is not limited to, costs or losses associated with a replacement vehicle, transport, time lost, accommodation, food, showers, emotional distress etc. In the case of winter hire, Spaceships will not be liable in the event of any damage or inconveniences caused by freezing conditions. These are the responsibility of the hirer.

- iii. You are strongly encouraged to purchase personal travel insurance to mitigate the impact of such possibilities.
- c. Spaceships take time stamped photographs of your vehicle prior to pick up for the hirer and Spaceships records. These will be emailed to you. If you feel there is any damage that is not shown in these photographs, or issues with the vehicle, you must email photographic evidence to Spaceships within 24 hours of pick up. Any damage not detailed in pick up photos, and not notified to Spaceships within 24 hours, may be treated as new damage and you may be charged. You will be emailed a copy of these images on pick up and any new damage on return.
- d. Driving away with the vehicle will mean that you accept the vehicle in its current condition and agree that the systems, equipment and fittings are working. No refunds will be given retrospectively for this.
- e. All new internal damages are fully the customers liability and fully chargeable regardless of insurance option.
- f. Spaceships operate a level-to-level fuel policy. This means that the vehicle fuel may not be full at pick up and should be returned at the same level when returned. This should be to the nearest 1/8th on the gauge. Charges will apply if the vehicle is returned with less fuel than pick up.
- g. Spaceships will make every effort to have your vehicle ready for the collection time you have selected however Spaceships cannot guarantee that your vehicle will be ready for this time. There may be some delays caused by factors outside of Spaceships control. Should this be the case no refunds will be due to you. We will look to offer the equivalent length of the delay as an extension, subject to vehicle availability. You will still be required to be returned in accordance with the details set out in point 16. Return.

16. Return

- a. You must return the Vehicle to us:
 - i. To the drop off location at the time and date shown on the Rental Agreement;
 - 1. With the fuel level equal to that when the vehicle was collected;
 - 2. In the same condition, as it was at the commencement of the Rental Period, fair wear and tear excepted.
- b. Change of Return Location (where applicable) is subject to availability and must be authorised by Spaceships UK with suitable notice. An additional charge of a minimum of £500 and up to £1,000 applies to any authorised change of return location within the UK.
- c. Spaceships do not offer refunds for early returns. We strongly recommend customers invest in travel insurance to protect against the risk of an early return being required.

- d. Late return - if you do not return the vehicle by the time shown on the Rental Agreement you must pay a penalty fee of £100 per hour that the vehicle is late. Spaceships may also charge the daily hire rate per day the vehicle is unable to be rented, as well as any other consequential losses. It is your responsibility to leave plenty of time to meet your scheduled drop off and account for potential disruptions.
- e. If you are running late, you must notify Spaceships immediately. If you do not notify Spaceships, your insurance coverage will end at the drop off time on the Rental Agreement and you will be uninsured beyond this point. This will leave you liable for full costs of any insurance claim incident and open for prosecution.
- f. If you return, drop off or abandon the vehicle at a location other than that shown on the Rental Document, the full excess will be taken regardless of insurance option chosen (£2,500 for a motorhome or £1,500 for a campervan). This includes abandoning the vehicle if broken down. Spaceships may also charge the daily hire rate per day the vehicle is off the road unable to be rented, as well as any other consequential losses.
- g. We may request the immediate return of the vehicle, or we may retake possession of the vehicle without notice if we reasonably suspect that:
 - i. You have breached a term or condition of this Agreement;
 - ii. Damage to the vehicle, or injury to persons or property is likely to occur;
 - iii. The vehicle may be or has been used for an unlawful purpose.
- h. Rental extensions are possible subject to availability. Suitable notice must be given to Spaceships UK for any alteration to any rental. There is no guarantee of any extension regardless of the notice provided.
- i. If you have selected an out of hours drop off this is entirely subject to availability and must be agreed on the time of pick up or arranged by email and confirmed by a booking confirmation and updated on your rental agreement. Just adding after-hours does not mean you will automatically be able to do an after hours drop off. Our late fees will apply if you have not arranged a specific time and had it confirmed in writing.

17. Hirer's Responsibility - Charges

- a. The hirer accepts any applicable charges mentioned in these Terms & Conditions, as well as the following charges, will be applied to the hirer's bank card:
 - i. Accepts responsibility for all speeding/parking/toll infringements, and £30 processing fee for each speeding/parking/toll infringement transferred into the hirer's name plus the cost of the fine where applicable;
 - 1. If you wish to dispute any such fine, you must do so with the issuing authority and not Spaceships. Spaceships will not remove

our processing fee for a disputed or cancelled fine after the fine has already been received from the issuing authority and processed by Spaceships.

- ii. A minimum fee of £200 (£300 for a motorhome) for any evidence of smoking odours in the vehicle plus the cost of days the vehicle is off the road to eradicate the smell. This includes e-cigarettes and vapes.
- iii. A minimum cleaning fee of £200 (£300 for a motorhome) for returning the vehicle excessively dirty, with a stained interior and/or with rubbish left inside the vehicle;
- iv. Charge for incorrect fuel level. This will be the refill fuel cost plus a £30 service fee.
- v. The repair of any damages to your vehicle or any third party vehicle as per the terms of your rental agreement; damages/repair will be charged at cost at the current time. We will invoice you for any damage/repair cost for your own insurance purposes.
- vi. Maintaining diesel, water, oil and AdBlue levels is your responsibility. Any cost incurred will be reimbursed with the exception of diesel and AdBlue. Should any malfunction of the vehicle occur, any sign of overheating, you must stop the vehicle immediately or you will be liable for the full cost of the repair.
- vii. Spaceships may also charge the daily hire rate per day the vehicle is off the road unable to be rented due to any of the above as well as any other consequential losses.
- viii. Motorhome Only - A fee of £200 if the toilet cassette or grey wastewater has not been emptied and cleaned out fully. There will be no exceptions made to this charge (unless you have purchased the Express Return Bundle before drop off). This also means the toilet cassette locker must be clean and no waste/paper present. For your own records and avoidance of doubt, we recommend taking a time stamped photo at drop off showing the toilet cassette is fully clean and empty as well as the cassette locker being clean. This fee applies to Motorhomes only

18. Accidents/Damages

- a. In the event of any accident, loss or damage arising out of the use of the Vehicle, you must:
 - i. Notify Spaceships within 24 hours of the incident.
 - ii. Photograph all damages to any vehicles/property involved along with licence plate numbers.
 - iii. Obtain the names and addresses of third parties and any witnesses and obtain a police report.

- iv. Spaceships will email an Accident Report Form within 24 working hours of being notified of the incident. This must be filled in within 72 hours of being received
- b. Every individual incident must be reported. Each reported incident will be a separate insurance claim and any due excess will be taken per claim, not per rental.
- c. All incidents will be investigated by insurance so you must ensure no admission of fault/liability to other parties, settlement offer or other like offer is made which may affect this.
- d. You must assist Spaceships in handling any claim arising from any incident, including providing all relevant information and if required, attend court to provide evidence.
- e. Failure to do the above will result in terms being breached, insurance will be invalid, and the hirer will be liable for full costs incurred.
- f. You acknowledge that the insurance excess or any other amount due by you in respect of any damage arising from an accident, theft, loss or damage is payable at the time of reporting the event and not at the completion of the Rental Period, regardless of which party is at fault.
- g. The relevant insurance excess is paid per claim, not per rental.
- h. No Security Deposit or insurance excess will be refunded until any claim is fully settled. This is dealt with by insurance and can take months to years to settle. Spaceships cannot speed this process up. As part of the finalised claim amount, Spaceships may also charge the daily hire rate per day the vehicle is off the road unable to be rented.
- i. There are no refunds or extensions if you cease to have use of the vehicle as the result of an accident regardless of fault.
- j. Spaceships will not be liable for any consequential events, losses or costs arising out of an accident. This includes, but is not limited to, costs or losses associated with a replacement vehicle, missed events, time lost, transport, accommodation, food, emotional distress etc.

19. Breakdowns/Roadside Assistance

- a. All Spaceships vehicles are serviced more often than the guidelines and will be mechanically sound at pick up. Despite this, mechanical failures and breakdowns can still occur. Therefore Spaceships offer a 24/7 Roadside breakdown assistance provided free of charge on all hires. This service is provided through our network of Third Party Roadside Assistance Partners.
- b. You must notify Spaceships or our Third Party Partners of any mechanical issues/failures within 24 hours. We will not be held liable in any way, if you only report an issue after this time, or after your trip.

- c. Should any malfunction of the vehicle occur or any sign of overheating, you must stop the vehicle immediately or you will be liable for the full cost of the repair.
- d. Any call out charges necessitated by the hirer through user error, e.g. a flat vehicle battery, wrong or insufficient fuel, keys locked in vehicle etc, will be the responsibility of the hirer.
- e. Assistance/recovery times are dependent on availability of our third party partners and the location of the hirer's Vehicle at the time. The time this takes and any resulting delays is beyond Spaceships control and Spaceships will not refund or be liable for this in any way.
- f. When in attendance, the mechanic will do their best to get you back on the road from the roadside. If this is not possible, the vehicle will either be recovered back to the pick up branch or taken to a local garage for repair.
- g. At this point, one of the following options will apply. Please note, these options are subject to change at any time. Which option applies will be at the discretion of our third party partners and based on multiple factors, including but not limited to, the assessment of the breakdown and on-going repair/recovery process:
 - i. Our third party partners will arrange to bring the driver back to the pick up branch. This may be in the form of transport back in the recovery van, or public transport if this is not possible.
 - ii. Our third party partners will arrange your onward travel to get you to your next destination.
 - iii. Our third party will arrange overnight accommodation.
 - iv. Our third party partners will arrange a hire car for your use for the next 48 hours.
 - v. Our third party partners will arrange for your repatriation back home.
- h. If it is agreed for the vehicle to be taken to a local garage for repair, you must be available to collect the vehicle from the garage unless expressly agreed to by Spaceships in writing beforehand. Failure to collect will be treated as abandonment of the vehicle and the full excess will be taken regardless of the insurance option chosen (£2,500 for a motorhome and £1,500 for a campervan).
- i. If you wish to receive a replacement vehicle, you must notify Spaceships directly of this as close to the breakdown as possible. This will be subject to availability and the roadside mechanics assessment on the repair. If we have a suitable replacement vehicle, we will prepare this to be ready for you as close to your arrival time back to the branch as possible.
- j. All replacements are subject to the hirer returning to branch. Spaceships will not cover any costs involved in this. Spaceships will not deliver replacements to any location. Spaceships will not source replacements from other companies.

- k. If Spaceships can offer a replacement vehicle available from branch within 72 hours of the breakdown being reported, or get your repaired vehicle available from branch or the repair garage within 72 hours of the breakdown being reported, then you will be offered an extension of the equivalent length of time it took to have your replacement / repaired vehicle available added to the end of your trip. This is subject to availability. If the extension cannot be offered due to availability, you will be refunded the time lost based on the Daily Hire Rate divided by 24 hours and multiplied by the number of hours lost. This is calculated from the point of the breakdown first being reported to having the replacement / repaired vehicle available. If the extension is able to be offered, and you cannot accept the offer, then no monies will be refunded.
- l. If Spaceships cannot offer you a replacement vehicle, or get your vehicle repaired and available within 72 hours of the breakdown being reported, the hire can be cancelled and the hirer will be refunded the remaining whole days of the rental from the time of breakdown first being reported. This is based on the Daily Hire Rate only. If the mechanic's assessment is that the breakdown is due to user error, no monies will be refunded.
- m. If the mechanic's assessment is that the breakdown is due to user error, no extension will be offered, no replacement vehicle offered and no monies will be refunded. Spaceships may also charge the daily hire rate per day the vehicle is off the road unable to be rented as well as any other consequential losses.
- n. Spaceships will not be liable for any consequential events, losses or costs arising out of a mechanical breakdown. This includes, but is not limited to, costs or losses associated with a replacement vehicle, missed events, time lost, transport, accommodation, food, emotional distress etc.
- o. European roadside assistance coverage varies significantly across the continent. The hirer accepts that roadside assistance and recovery may take significantly longer when travelling in Europe.
- p. You are strongly encouraged to purchase personal travel insurance to mitigate the impact of such possibilities.

Spaceships advise the easiest way to find your nearest fill up station is by going to <https://autogas.app/> This will show the closest LPG stations to you. We will only reimburse you for the cost of such authorised repairs if you keep and produce to us the original receipts for those repairs or salvage.
 - viii. You agree that your vehicle may be fitted with a tracker for safety and security purposes. Data relating to the vehicle's speed, location and braking/acceleration will be collected. Your vehicle's location may be used to notify you with useful information about the area you are travelling in.

When the claim is fully settled, should the insurer accept the claim and agree to reimburse Spaceships for the cost of the Vehicle, the liability to the hirer will reduce to the excess amount of £2,500 for motorhomes or £1,500 for campervans. This can take months to years to settle. Spaceships cannot speed this process up
- e. If the keys are not returned to Spaceships, the insurer will not accept the claim and liability for the full cost of the Vehicle will remain with the hirer.
- f. Spaceships will look to offer a replacement in the event of a theft. All replacements are subject availability. The hirer must return to the pick up branch to collect any replacement vehicle. You acknowledge that Spaceships will not refund any money for a theft that occurs whilst the vehicle is in the hirers possession.
- i. Spaceships may also charge the daily hire rate per day the vehicle is off the road unable to be rented as well as any other consequential losses.
- j. You are strongly encouraged to purchase personal travel insurance to mitigate the impact of a theft.
